Why should employees donate to Envision Healthcare Employee Relief Fund?

At Envision Healthcare, we take care of our communities, and we take care of each other. Every dollar donated will help fellow Envision Healthcare teammates who are going through difficult times. Contributing to the Employee Relief Fund is a wonderful way to live our core values and make a difference in each other’s lives.

How much of my donation goes to my fellow teammates?

100 percent. Our goal is to enable Envision Healthcare employees to personally help as many teammates as possible, so every dollar donated goes to support Envision Healthcare employees. Envision Healthcare covers the cost of all operating expenses in order to ensure every dollar you donate goes to someone in need.

Can donations be directed to a specific Envision Healthcare employee?

Are donations tax deductible?

Yes, all donations are tax-deductible in the United States to the full extent permissible by law.
